

Guide to the EU*Connect platform

 <p>Schedule</p>	<p>"Schedule" will take you to the timeline of upcoming lectures, events, and deadlines. Here you will find the dates and titles of each lecture, as well as the name of the expert and the course description. You can move your way on this Padlet up & down and right & left.</p>
 <p>Chill & Chat</p>	<p>"Chill & Chat" is a virtual chat room café, which will allow you to communicate informally with other programme participants. You can log in at any time to chat in a meeting.</p>
 <p>Who's Who?</p>	<p>"Who is who" will provide you with more information about the organisations and individuals involved in the programme. You will find a description of the institutions involved in the programme and of each expert who will give a lecture during the programme. You are also welcome to add a short description and photo of yourself for the other participants!</p>
 <p>Recordings & Course Material</p>	<p>"Recordings & Material" contains all the reading material and resources useful for the EU*Connect courses. You will find there the video recordings of past courses and direct access to the working documents stored in the library for each module.</p>
 <p>Creative Lab</p>	<p>"Creative Lab" helps you exchange ideas and work together on a whiteboard with several tools, with the Miro application. There is a different whiteboard for each Module.</p>
 <p>Library</p>	<p>The "Library" contains general books and articles on both Ukraine and the EU institutions. Required readings for the lectures will also be listed in a folder for each module.</p>
 <p>Help Desk</p>	<p>If you have any questions about logging on to the platform or any technical problems, please contact our "Help Desk".</p>
 <p>About</p>	<p>"About" will give you an overview of the programme's course curriculum and deadlines.</p>
